Nancy, resending the incoming. I must have sent from my iPhone earlier without the presentation that was attached. Please let me know if you don't see the presentation attached.

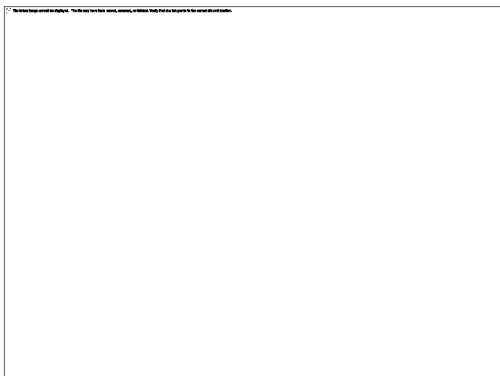

Cheers

Subject: Phthalate Briefing presented to the Commission

I would be happy to arrange for my staff to deliver a briefing on the phthalates final rule. As we discussed, specific questions from EPA would help us prepare for the briefing. The briefing would rely on already cleared phthalate briefing materials, which were used for briefing the CPSC Commission on the phthalate draft final rule [see attached presentation].

The recording of the briefing can be viewed from the CPSC site
